

## Assignment 1 - Movie Reviews

### Overview

Your assignment is to watch 5 films and analyze how tropical rain forests are presented in the film and used to advance the films narrative. Your essay should not be a summary of the film (i.e., a *descriptive review*), nor a judgment that the film is “good” or “bad” (i.e., an *evaluative review*). Your objective is to present a brief analysis (500-700 words) interpreting:

- how the rain forest setting underscores the film’s themes
- how the film reinforces or subverts stereotypes about rain forests and the people that live in them
- how the depiction of rain forests in the film compares with what you have learned about rain forests in class.

You must support your claim with specific examples of:

- dialogue
- characters, character development
- shots and visuals, editing
- props, sounds, scoring, songs
- plot points and action

Use the Movie Trope Checklist to take notes and record this information during your initial screening.

### Films

**Films to review:** These are the films we will be watching and reviewing:

- Aguirre, Wrath of God
- Anaconda
- Fern Gully: The Last Rainforest OR Avatar
- One assigned (at random) by the Instructor
- One chosen by you from the list below.

**How to watch:** The films are available via the UF Library access to Kanopy, other free online platforms, or as DVDs that can be checked out from the UF Library’s Course Reserves. *The streaming platforms are:*

- [Tubi](#)
- [Kanopy](#)
- [Plex](#)

- [YouTube](#)
- [Crackle](#)
- [Pluto TV](#)
- [Film Detective](#)
- [YuppTV](#)
- [IMDB](#)
- [Digitalia](#)

**Content Warning:** The some of the assigned films contain strong language, sexual situations, and violence. There may be dialogue about or depictions of race, class, gender, sexuality, sexual assault, or other topics that is uncomfortable, disturbing, or offensive. Analyzing these depictions and their impact is an important part of this assignment, so I encourage you to prepare yourself emotionally for this possibility. If you believe that you will find the films you have been assigned to be traumatizing, however, please let me know so we can arrange an alternative for you to review. You don't have to tell me why you want to switch, only that you would prefer to be assigned another film.

**Language:** Some of the films may be partially or entirely in languages other than English and require subtitles.

- **Extra Credit:** Remember what I said about value judgments? Well...let's just say there are some movies that are so challenging to sit through that extra credit will be given to anyone selecting one of them for their 5th review. If you have already completed your five reviews, you can still earn extra credit for every one of these you watch and fill out a Movie Trope Checklist for (no essay required).
